If in transit consignment, the provisions hereof shall be subject to the laws of Texas, and provisions not expressly restricted by such laws shall be applicable to this shipment.

1. Shipper's interest in this shipment is a part of bill of lading approved by the Department of Transportation.

INCIDENT, subject to the classifications and tariffs in effect on the date of the receipt by the carrier of the property described in the Original Bill of Lading.

As property described below in apparent good order except as noted hereunder and condition of contents of packages unknown, marked consigned, and destined to indicated consignee, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract herein) agrees to carry to its usual point of delivery or said destination, if on its route otherwise to deliver to another carrier on the route to said destination. It is hereby agreed, as to the carriage of all or any of said property over all or any portion of said route to destination and as to each party at any time increased in cost or any of said property that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Freight Bill of Lading set forth (1) in Uniform Freight Classification in effect on the date hereof (2) in a rate or rate-water shipment or (3) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof set forth in the classification or tariff which governs the transportation of the shipment and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

☐ **IVSO**, subject to the stipulations and terms in effect on the date of the receipt by the carrier of the property described in the Original Bill of Lading.

The property described below is being shipped by air, ocean, or land (common) and conditions of shipment (packages unknown) method, consigned, and destined as indicated below which will govern the carrier's liability. The carrier, by accepting the goods, agrees to be bound by the terms and conditions of the bill of lading and to carry to its vessel, place of delivery or final destination, if no route otherwise is shown, to another carrier on the route to said destination. It is hereby agreed, in each carrier's bill of lading, that the property or any portion of said route to destination and to each party at any time interested in all or any of said property that every service to be performed by the carrier or its vessel or any portion thereof will be subject to all the terms and conditions of the Uniform Domestic Freight Bill of Lading set forth in the Uniform Freight Classification in effect on the date hereof. (1) is a general or a road-rail shipment or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the applicable bill of lading, including those on the back thereof set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for receipt and his design.
